Projects

SportHub - Sports Center Management System — GitHub
SWP391 Team Project · In Development — 2026 - Present
Project stack: *ASP.NET Core Web API, EF Core, PostgreSQL, JWT authentication, Playwright*

- Updated EF Core and LINQ queries for revenue, points, and refund reports, grouping refunds by recorded payout date. Designed the management dashboard.
- Added integration tests and Playwright browser tests for report filters, exports, and dashboard workflows.
- Designed member and coach workflows and interfaces, reviewed UI/UX, and proposed improvements.
- Deployed the web application and configured VNPay Sandbox to test payment flows.

TEDx Ticketing Platform — GitHub
Web Development and Ticketing Operations · TEDx FPTUniversity — 2026
Project stack: *Next.js, TypeScript, Prisma, MySQL, Redis, Resend, Playwright*

- Designed the homepage and ticket flow. Added promotions and speaker registration to the MVP.
- Integrated Telegram order notifications so the sales team could track new purchases.
- Helped test, debug, and operate the platform during live ticket sales for the TEDx event.

Research

Multimodal Pretraining Transfer for Text-Only Ambiguity Detection in Software Requirements — GitHub
First Author · Research Team Lead — 2026
Accepted at FISAT 2026, with a conference presentation planned.

- Led an NLP study on software requirements ambiguity, comparing Qwen2.5 and Qwen2.5-VL using zero-shot evaluation and 4-bit QLoRA fine-tuning on 2,109 deduplicated QuRE requirements.
- The fine-tuned VLM averaged 86.3% accuracy and 0.836 macro F1 across 3 seeds. Its difference from the fine-tuned LLM was not statistically significant ($p = 0.505$).

Leadership & Activities

TEDx FPTUniversity — May - Sep 2026
Head of Customer Service Department

- Led a 3-person development and support team. Helped plan ticket benefits, pricing, and promotion.
- Handled customer support requests and urgent issues during ticket sales.

Selected activities: TEDx FPTUniversity (Jun - Aug 2025), FPT Global Hackathon 2026, RMIT GenAI Hackathon 2026, and the Mầm volunteer project.
